

## Junior Golf Criteria

Depending on the individual child, we will start a junior as young as 5 years old. A child is not considered a junior when they turn 18.

## Equipment

Golf equipment is available for those who do not have their own. Our equipment is available during lesson and practice periods only.

## 1-Hour Junior Golf Schools

This is our standard junior golf program. These schools are taught in levels much like the martial arts. The levels range from 1 (beginner) to 6 (advanced). Each level requires students to master a set of motions and positions. Each step up the levels requires more precision, detailed movements and better self-discipline and self-control.

The schools are taught in four 1-hour sessions. The first two days we work on the full swing with the short irons. The third day we test for knowledge of Safety, Rules and Swing fundamentals and a skills test. The fourth day is at the putting green where students learn about putting, chipping and pitching.

|                      |          |
|----------------------|----------|
| Level 1 Tuition..... | \$ 80.00 |
| Level 2 Tuition..... | \$ 80.00 |
| Level 3 Tuition..... | \$ 90.00 |
| Level 4 Tuition..... | \$ 90.00 |

## Half-Day Junior Golf Camps

Our golf camps are for junior golfers who have successfully completed levels 1 through 4 of our schools. These experienced golfers have knowledge of rules, etiquette, safety and pace of play.

Additionally, they have developed the golfing skills necessary to play on regulation golf courses under the supervision of the golf course "marshaling" program.

A half-day camp is a very effective way to accelerate a junior golfers' all around golf skills. Whether it's a tournament player or recreational player, students quickly learn what it is going to take to reach their individual goals.

These camps are Monday through Thursday with range instruction beginning at 1:00 PM and 9 holes of on course instruction from 2:30PM – 5PM

Functional Golf is not responsible for the child after 5:00 PM.

**Tuition ..... \$ 220.00**

## Family Program

Golf for the whole family! This program allows parents and juniors to learn and maintain the same skills that we cover in our adult and junior functional golf classes. Juniors can move through the same levels as offered in our junior golf schools.

**Tuition.....\$ 75 each junior  
.....\$ 125 each Adult**

**Please email [juniors@functionalgolf.com](mailto:juniors@functionalgolf.com) to schedule family lessons.**
